

CONTAINER LITTERING ORDINANCE

WHEREAS, the Water Oriented Recreation District of Comal County, Texas (“WORD”), a recreation district authorized by the Texas Legislature and created by a vote of the citizens of Comal County, Texas; and

WHEREAS, pursuant the powers vested in WORD by the Texas Legislature to improve the public health, safety and welfare in the district and conserve the natural resources in the district as provided by Section 324.001 of the Texas Local Government Code; and

WHEREAS, the Board of Directors of WORD finds that the environmental quality of the waterways within its boundaries shall be improved by the passage of a littering ordinance which will ban the use of plastic containers with a volume of five (5) fluid ounces or less on the waterways within the district; and

WHEREAS, the Board of Directors of WORD also finds that litter, including plastic containers with a volume of five (5) fluid ounces or less: (i) impose a potential health and safety risk to the public navigating the Guadalupe River or Canyon Lake; (ii) create a public nuisance, and (iii) can lead to increases in WORD taxes in an effort to clean both the River and Lake; and

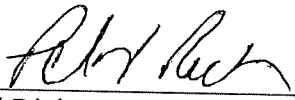

WHEREAS, the City of New Braunfels is contiguous to the WORD district and has passed Ordinance No. 2006-78 which prohibits open containers with a volume of five fluid ounces or less on certain public waterways, including the Guadalupe River;

NOW, THEREFORE, BE IT ORDERED by the Water Oriented Recreation District of Comal County, Texas, through its Board of Directors and pursuant to the powers set forth in Sections 324.001 and 324.066 of the Texas Local Government Code, hereby passes this Container Littering Ordinance:
